

Dear Year 11,

We hope your GCSE exams are going well. Congratulations on your hard work so far, and we wish you "good luck" for your upcoming exams.

With the half-term break approaching, we have put together a list of frequently asked questions about applying to Wickersley Sixth Form:

- **When is the summer welcome event?** On the **3rd and 4th of July 2023**. This event is an excellent chance for you to meet your teachers and classmates and experience your first lessons. The event will include a combination of lessons led by your teachers and other activities to help you prepare for your studies in September. *All students who have applied to study with us should attend.*
- **Can I change my option choices?** Yes, you can change your options at any time. If you would like to change your option choices or would like more advice about your option choices, please email sixthform@wickersley.net
- **I haven't applied yet, is there still time?** Absolutely. If you haven't applied yet, don't worry, there is still time. To apply to study at Wickersley Sixth Form, simply email sixthform@wickersley.net expressing your interest in applying, and we will take care of the rest.

We'll be in touch regularly over the coming weeks with further details about our summer welcome event and how to register for Sixth Form on results day, in the meantime, please email any questions to sixthform@wickersley.net

Best wishes
Mr Gaynor
Head of Sixth Form
