

Hello offer holders,

Please read this information carefully and save this email and attachment to help you register on results day.

How do I confirm my place and enrol?

Attached to this email is a document that explains how to confirm your conditional offer and register your place with us in the summer. Please read the instructions on the attached document very carefully. A few important points to note:

- All students must register and confirm their place online, including students who have previously attended Wickersley.
- You cannot register until after you have collected your GCSE results on **Thursday the 24th of August 2023 [Results Day]**.
- The document attached contains a step-by-step guide to your registration, including links to 5 online forms that you must complete.
- You must register **as soon as possible** on **Thursday the 24th of August 2023 [Results Day]**.

When is my first day?

Your lessons will begin on **Tuesday the 5th of September 2023**.

How to get ready for September

- Our teachers have created a bank of resources for you to access at home, (email to request). On the Drive, you'll find a folder for each subject you have opted to study with us containing activities for you to complete in your own time.
- Research the subjects you have opted to study with us. If you visit our website, you'll find a detailed description of each subject that we offer, including a video explaining the topics that you will study. Use this time to read around the topics that you will be studying in September - an ideal head start!
- I have also attached our **Sixth Form Student Handbook** to this email, I encourage you to read this carefully (email to request).
- Did you know that students with clear career goals and aspirations perform much better than students without? Websites like this <https://www.ucas.com/careers/buzz-quiz> are useful for suggesting career paths that you may not have considered. Spend some time researching - and get excited about your future!

Please contact us at sixthform@wickersly.net if you have any questions about your application.

We look forward to welcoming you all in September.

Best wishes

Mr Gaynor

Head of Sixth Form

You are receiving this email because our records show that you are holding a conditional offer to study with us. All applications and subject choices will be confirmed in the Summer once you have received your GCSE results. Please contact us at sixthform@wickersley.net if you would like to withdraw your application.
